Lean, mean glamour machines work it with these body buffers.

TONE

These skin treatments aim not only to slim and smoothen areas, but also to stimulate collagen and elastin levels with properties such as caffeine and stimulating botanicals. **ReFirme's Body Job** reportedly increases collagen by 3-5 per cent in 30 days the *new* way. Or visit Dr Yvonne Goh for **ReFirme** body tightening. Using combined RF and infrared energies, the virtually painless 30-45 minute treatment performed in tri-weekly intervals tightens the tummy, breasts, butt and arms. **Medical Aesthetics @ Cluny, #02-12 Cluny Court, Tel: 6462 2559**

HYDRATE

The most revolutionary body moisturizer is here to stay. **Provenge Body** is packed with the antioxidant Melanoxin to protect the skin. "Not only does it take care of sun damage, dryness and loss of firmness, but also for issues specific to stretch marks, dimpled skin and minor scars," says Elizabeth Andler's Elizabeth Park. "Provenge Body isn't just another body moisturizer - it's the first high-performance body treatment with Melanoxin. It really does it all."

Project 34C

The word is out with the "lunchtime boob jab". Here, Petale Low gives her personal account on the new, non-invasive, all-natural breast booster.

"Birkin or new boobs?" was the million-dollar question often put to my husband who fortunately understood my preference (more, like, predilection) for a 35 centimetre in blue jean taurillon clemence. After all, while an Hermès bag is universally revered, well, beautiful breasts are in the eye of the beholder. Unless, of course, you happen to be wearing a sheer, tight, white T-shirt. But this was the epiphany, exactly. One Saturday morning, as I tucked a little sheer tee — you know, the kind that coyly shows up a little lace lingerie — into my J Brand flared jeans, I realised that I could do with a little perking up. Just enough to fill out my nude lace Myla bra tastefully, I thought; there's nothing tackier than those foam-padded T-shirt bras that give out false illusions. I turned left-front-right and decided that the bag could wait.

Three weeks later, I came across "Diary of a Boob Jab" by BAZAAR UK beauty director Newby Hands. "From B to C, scalpel-free" the
