For the best results, use Revision Skin Care products in the following order: 1. Cleanser, 2. Toner, 3. Serum, 4. Moisturizer. For more information, visit us at www.revisionskincare.com

Prevent the “Turkey” Neck

Skin ageing not only starts at your eye areas, but also at your neck as this delicate area is thinner than skin at your face.

Revision Nectifirm, \$160.50 (48 g), is a total neck care formula that boosts the production of collagen, hyaluronic acid and elastin to hydrate and plump up skin, thus reducing the appearance of fine wrinkles.

THIS MONTH... **60%** your skin's natural beauty with a facial mask twice a week. **70%** Acne Control Exfoliating and Moisturizing Cleansing Mask (1.75 fl. oz.) to exfoliate and soften sensitive skin, or Reverse Wrinkles Oil Green Tea Age Defense Mask (1.4 fl. oz.) which hydrates skin and protects it with green tea, vitamin and blackberry oils.
